Weeks 06-09

General Information

- Work areas are marked in attached plan.
- It is important that all personnel and students at Ångström respect the closures in these areas.

Ongoing Work

**Work area House 1**
- Rebuilding of the "old" reception opposite Café Ångström.
- Conversions of the old library on level 1 between houses 6 and 8 into to ALC halls.

**Work area Building 2**
- Facade scaffolding according to the attached plan, planned for removal beginning of May.
- Building and installation work on all floors, noticeably on level 4 and K1. Crews on site are in regular contact with tenants.
- Information regarding ventilation interruptions has been communicated to affected operations.

**Work area Building 4**
- Conversions of offices to computer rooms on floor 0. Planned to be completed in April.

**Work area Building 6**
- Renovation work on floor K1 continues, focused primarily on computer rooms (ready for use in April). Work in the labs will continue after the computer rooms have been cleared for use.

**Work area Building 7**
- Renovation work on floor 1 and floor K1, adjustments to air flow.

**Work area Building 10**
- Ground works according to attached APD.

Relevant disturbances for the coming period:
- Some work may result in noticeable noises from hand held machinery. Ear plugs are available to pick up at the Ångström Library and the campus reception.

Closures, provisional arrangements
- According to the attached general plan. Work areas are marked red.
